INVESTMENT

We never invest in a business we do not understand

Our methodology is based on in-depth study of individual companies. We exploit opportunities between market price, overlooked catalysts and poorly understood long-term competitive advantages.

ABOUT US

Corestone Investment is a British technology company founded in 2015, Corestone company adopted cryptocurrency at early stage of the company but dived fully into Cryptocurrency investment in the year 2016, at Corestone Investment company, the company is developed under the control of an experienced team of highly qualified financial experts, Artificial Intelligence (AI), analysts, and professional traders for realistic profitable online investments.

OUR MISSION

At Corestone Investment, our mission is to expand access to the digital asset ecosystem while serving as trusted partners for our clients. We take this role seriously, and have spent the last few years building products and services to meet our clients' needs from individuals to institutions, and everyone in between.

As the digital asset market grows and evolves, we analyze opportunities and build long-lasting investment solutions around the needs of our clients.

STATEMENT OF PURPOSE AND VALUE

We set the bar in financial services by creating significant value for our clients. Being fair, transparent and honest is at the core of who we are as people. We will do what is right over what is easy or beneficial. Speaking up with conviction and being apolitical is our DNA.

WE LEAD ONLY THROUGH EXCELLENCE

We work relentlessly to deliver top-notch outcomes to our clients. This means leading the ecosystem through thought leadership. We strive to raise the bar.

FOR US PEOPLE MATTER

We care about the interests of our people, clients and partners. We provide enriching work and opportunities to our people. We demonstrate respect and empathy, always.

CRYPTOCURRENCY INVESTMENT

Investing in cryptocurrency with Corestone investment has produced jaw-dropping returns for so many investors, you can get filthy rich by investing in cryptocurrency. Cryptocurrency is a good investment if you want to gain financial freedom and direct exposure to the demand for digital currency very safe and lucrative.

REAL ESTATE

Real estate investment protects you from inflation, while most people fear inflation, real estate investors don't have to. Properties are rarely impacted by the effects of inflation, which is one of the most valuable benefits of real estate investment in current markets.

GOLD MINING

Gold mining is a global business with operations on every continent, except Antarctica, with 11.021 trillion market cap and gold is extracted from mines of widely varying types and scale. Mines and gold mining operations have become increasingly geographically diverse, far removed from the concentrated supply of four decades or so ago when the vast majority of world's gold came from South Africa.

ASSETS MANAGEMENT

The Asset Management business focusses on delivering consistent, sustainable, and long term risk-adjusted returns with the underlying principle of capital growth and capital preservation, across four differentiated and performance driven product offerings-private equity, long term and alternate strategies. The four products teams together have 30+ professionals with deep industry expertise and a proven track record. The teams are supported by the organization's collective knowledge, brand and network.

INVESTMENT BANKING

Investment Banking is part of MultiPrime business. Deep domain expertise, an attitude of collaboration to craft win-win situations, a global outlook and outcome driven approach are the hallmark of our services.

From growth stage funding to complex, large sized transactions later in the cycle, AvendusCapital serves clients across the spectrum, ranging from mid-market companies to large global organizations with multinational operations.
